

Priority Actions

Agriculture and Local Food	Completed	In Progress	Gaps
1. Undertake a community food system assessment to identify gaps and opportunities to connect local food growers and producers, processors, distributors, retailers and consumers throughout the region, building on the feasibility study currently planned by the Peterborough Food Action Network.	Ag Society Strat Plan complete - focus on agricultural education and local food. - community gardens, famers markets; Myrtle's Kitchen PPH	Greater Golden Horseshoe Ag. Assets Mapping project - have not seen final outcomes.	Community food system has been discussed but needs follow up - Future Food & Farming Working Group
2. Identify and protect existing farmland, and increase its capacity to supply local food needs.		Group has started local soil mapping program - led by OMAFRA/Ptbo Federation of Ag. Provincial Policy Statement addresses this as well - updating OP's.; PED workshops on Food & Farming; Ditribution & Processing standards;	Agricultural Strategic Plan for County
Climate Change	Completed	In Progress	Gaps
1. Become active members in Partners for Climate Protection Program to establish a baseline of greenhouse gas emissions with a corresponding plan for achieving a set target in emissions reductions.	PCP membership completed. Milestone 1 complete.	Milestones 2-3 in progress; applied for funding to support key projects moving into CCAP implementation	Created an expectation, no staff resources to complete. In a good position to expand funding.
Cultural Assets	Completed	In Progress	Gaps
1. All municipalities in the Greater Peterborough Area should consider developing a Municipal Cultural Plan.	City has completed an MCP; Vision 2025 in progress and includes culture, parks, recreation, trails; Curve Lake & Cavan-Monaghan have done mapping exercises. Trent Lakes has a passport program, Warsaw Culture Days,	Training with FCM to work with FN - possible funding opportunities once completed (CEDE).SP applying for funding in partnership with Hiawatha & Curve Lake FN, County working on an archival inventory led by Sheridan among other projects re: culture; County passport	
Economic Development and Employment	Completed	In Progress	Gaps

<p>1. Through community asset mapping, promote the region's abundant natural assets, its sustainability initiatives and industries, and its economic potential.</p>		<p>Evergreen Project - the area's natural assets identified as economic driver; UNESCO project; Way-finding program through new signage program throughout County & townships (PED& County); articles commissioned on environmental leaders;</p>	<p>Promoting Peterborough as a desirable destination ; look at economic infrastructure to support local entrepreneurs, farmers, etc.</p>
<p>Energy</p>	<p>Completed</p>	<p>In Progress</p>	<p>Gaps</p>
<p>1. Develop community energy plans in each of the Greater Peterborough Area's member communities, coordinated at a regional level.</p>	<p>Developed corporate energy plans, worked cooperatively on LED street light program, PUC & hydro One retrofit program,</p>		
<p>2. Establish energy efficiency standards for all new developments which would consider LEED certification in all new construction and for renovation.</p>		<p>Using County Courthouse as case study, creating strong resources - PDI, Hydro One, Enbridge, Incentives and opportunities coming up with regards to energy; Kinsmen Solar Panel project underway, City considering street light retrofit, converted stop lights to LED (almost complete); LEED standard for new Arena Complex; CCM looking to get LEED Platinum certification - lots of interpretation opportunities.</p>	
<p>Healthy Communities</p>	<p>Completed</p>	<p>In Progress</p>	<p>Gaps</p>

1. Increase the availability of affordable housing throughout the entire Greater Peterborough Area.	Year 3 of completion of master plan (approved).	Working with Housing & Service providers for housing incentives; plan in progress to replace Brock Mission on site including transitional housing; The Mount, Knox, (S. Bacque re: Housing initiatives underway) HKCC, Healthy Communities, Age Friendly Plan, Community Wellness Plan, Active Transportation,	Seniors housing resources, social justice considerations
Land Use Planning	Completed	In Progress	Gaps
1. Develop and implement neighbourhood design guidelines that ensure equal opportunities for all – including pedestrians, cyclists, public transportation, and automobiles – relevant to both urban and rural areas.			Land use planning should link all initiatives together; older model of OP review; lack of focus/direction & communications; need for City planners to communicate with County & Twp counterparts
2. Effective communication & collaboration			
3. Policy Oversight			
Natural Assets	Completed	In Progress	Gaps

1. Adopt the 'Kawartha...Naturally Connected' Natural Heritage System and integrate it into Official Plans.	Yes.	OP incorporation; Vision 2025;	
2. Identify and help access financial incentives for environmentally sound land stewardship practices.	Boyd Island	ORCA - shoreline revitalization & conservation, always looking at new opportunities.	
Transportation	Completed	In Progress	Gaps
1. Complete the proposed Short-Term Cycling Network as outlined in the City's Comprehensive Transportation Plan Update and integrate it to the greatest extent possible with existing and new cycling trails in the County.	Shimano "Our Routes", Lang-Hastings Trail - City link complete.	Active Transportation Master Plan for the County underway; way-finding signage to establish specific cultural routes	Expanding Shimano routes - outside the County; key County highways need paved shoulders; disconnect between local & provincial planning; promotional/marketing piece around trails, etc.
2. Assess innovative solutions to the mobility challenges facing rural people in the GPA.			Age-Friendly lacks public transportation solutions,
Waste	Completed	In Progress	Gaps
1. Identify and promote opportunities for the reuse or recycling of reusable goods and materials.	Mattress recycling program implemented		Link between waste & energy, greener natural gas source, City/Regional digester
2. Establish a curbside organic waste collection program.	Pilot very successful, County implemented leaf & yard		
Water	Completed	In Progress	Gaps
1. Establish a water conservation and efficiency program that motivates water consumers and makes available resources for water conservation, stormwater management	Water meters completed. Source water protection plans	Low flow toilet replacement program	Public education re: septic systems
2. Find funding that will enable the inventorying and identification of shoreline and wetland areas in need of ecological restoration.		ORCA working on this.	
3. Establish an integrated watershed management plan to promote ecological health within the GPA watersheds.		ORCA & other conservation authorities - Watershed management plans	
4. Establish closer ties with Parks Canada & TSW			

Cross Cutting Concepts

Education	Completed	In Progress	Gaps
1. Integrate education into all of the programs and activities connected to Sustainable Peterborough.			
Collaboration	Completed	In Progress	Gaps
1. Generally, individuals use their networks to form or join larger groups. This grassroots, bottom up approach is an effective community development strategy that can be used to implement the strategic directions in the plan.			
Engagement	Completed	In Progress	Gaps
1. Build the engagement of residents, community partners and other organizations into the ongoing implementation and review of Sustainable Peterborough.			
Plan Alignment	Completed	In Progress	Gaps
Align all future plans with Sustainable Peterborough to the degree to which this is feasible.			
Integration	Completed	In Progress	Gaps
1. Continue to work together as Community Partners to find opportunities to combine efforts so that we can avoid duplication and minimize the resources required to move towards our Vision for sustainability.			

Plan Implementation
