2015 Report Card

Data collection is coming along; the data submission deadline is January 29th. Katie has been consistently adding submissions to the database. Reminder emails were sent the week of January 11th. The Report Card Subcommittee met on December 8th to discuss concept, and the graphic designer is in the process of creating the mock-up. Since this Report Card will be publically distributed via Peterborough This Week, it will have a slightly different look than previous Report Cards, as we will try to make it appeal to a wider and more diverse audience. As such, it will contain more visuals, such as infographics and photos.
