

HYDRO ONE

Agricultural Measures

AGRICULTURAL GENERAL CHECKLIST

REQUIREMENTS

- One for one replacements (some measures exempted)
- Incentive applications must meet all requirements on the corresponding prescriptive worksheet

BEFORE PURCHASE

- Incentive applications must be submitted AND approved PRIOR to starting the project or issuing a purchase order
- Typical pre-approval requirements:
 - Make, model and spec sheet of existing equipment
 - Make, model and spec sheet of new equipment
 - Quotation/cost breakdown

AFTER INSTALLATION/REPLACEMENT

- Post-installation documents must be submitted AND approved in order to receive incentive funds
- Typical post-approval requirements:
 - Final invoice (showing quantity, make/model and cost)
 - Proof of payment
 - Proof of disposal (itemized list of disposed equipment)

Program Rules and Documents available at
www.HydroOne.com/Retrofit

This is a technology specific checklist prepared as a ready reference for trade allies or participants to prepare technology specific information and/or documents, and is subject to change to remain consistent with any changes to Program Rules.
