

# NEW & IMPROVED

## Home Energy Conservation Program

Qualify for **thousands** in available incentives from Enbridge Gas for installing eligible energy efficiency upgrades in your home!

Now get up to  
**\$5,000**  
**back** plus additional  
electrical incentives

## GET STARTED TODAY

1

### **Complete a home pre-audit with a Registered Energy Advisor (REA).**

Contact one of many available REAs listed at [enbridgesmartsavings.com](http://enbridgesmartsavings.com). It takes 2-3 hours and will ensure you qualify for the program. Once you complete the program, you'll receive **\$600 back** for the audits.

2

### **Successfully complete at least two qualifying upgrades.**

Enbridge recommends getting at least three quotes before choosing a contractor. Contractor list can be found online at [enbridgesmartsavings.com](http://enbridgesmartsavings.com).

3

### **Complete a home post-audit with the same Registered Energy Advisor.**

The post-audit takes 1-2 hours and must take place within 120 days of your initial pre-audit. Your REA will then submit your paperwork to Enbridge, and you'll receive your incentive cheque by mail within 90 days.

**IN JUST 3 STEPS:** MONEY BACK, AND A MORE EFFICIENT HOME.

Visit [enbridgesmartsavings.com](http://enbridgesmartsavings.com) to get started.

This Program is delivered by Enbridge Gas Distribution in partnership with the Government of Ontario and Save On Energy.

# OUR “NEW & IMPROVED” PROGRAM MAKES GETTING MONEY BACK EASIER THAN EVER

**To participate in the Home Energy Conservation Program, you must meet the following requirements:**

- ☐ Own a detached or semi-detached house, mobile home, or row townhouse
- ☐ Heat your home using natural gas, oil, propane, wood, or electricity
- ☐ Live in the Enbridge Gas Program delivery area
- ☐ Complete home energy audits both before and after renovations are made
- ☐ Plan and complete at least two qualifying renovations

**The first step to participating is to book your home pre-audit with a Registered Energy Advisor (REA).**

## HOMEOWNER INCENTIVE OPPORTUNITIES INCLUDE:

...And many more!

## GET STARTED TODAY

For more program details, and to book your home pre-audit with a Registered Energy Advisor, visit : **enbridgesmartsavings.com** or call **1-855-659-0549**.

Natural gas and alternative fuel savings are based on approved modeling software. Only one enrollment for incentive per household is permitted. To find out if you qualify for incentives, a pre and post home energy audit is required by a Program approved Registered Energy Advisor (REA). No more than 120 days between the pre and post audit is allowed. In special circumstances, your REA can request an extension. Please contact one of the Enbridge approved Service Organizations listed at [enbridgesmartsavings.com](http://enbridgesmartsavings.com) for further information about this Program. The Home Energy Conservation Program is only available for residential detached homes, towns and semis – no multi-residential buildings or condos. Additional information on the Program can be found at [enbridgesmartsavings.com](http://enbridgesmartsavings.com). Program may be subject to change or cancellation without notice at any time. Homeowner is responsible for ensuring Program eligibility, choosing qualified REA, keeping invoices, and meeting Program deadlines. Subject to additional terms and conditions found at [saveonenergy.ca](http://saveonenergy.ca). Subject to change without notice. Save on Energy is powered by the Independent Electricity System Operator and brought to you by Enbridge Gas Distribution and the Government of Ontario.
